

ENVIRONMENTAL LITERACY

# SUMMER INSTITUTE 2020

## EDUCATION FOR SUSTAINABILITY

"I am inspired to empower students to use their voices and to appreciate the value of their actions ... I am grateful for the information, the motivation and the resources. I also feel I am leaving the institute with a network of support and a new learning community."

- *Melissa Brady*  
*John Jay Middle School Teacher,*  
*Katonah Lewisboro School District, NY*  
*2019 participant*

### In Partnership With:

CELf Summer Institute participants receive a 50% tuition discount on the Education for Sustainability (Efs) Advanced Certificate offered through the Manhattanville College School of Education.

Today's students are tomorrow's leaders. Discover practical ways to transform student learning into an authentic exploration of sustainability and to inspire increased student engagement in their classrooms, schools, districts and communities.

## HIGHLIGHTS FOR 2020: CLIMATE AND SOCIAL JUSTICE NEW SESSIONS, NEW PRESENTERS

**Climate Change:** Participate in Climate Interactive's role-play workshop using the cutting edge En-Roads simulator

**Equity:** Help students understand the causes and consequences of social equity issues through the lens of environmental justice

**Civic Science:** engage with local sustainability issues through student-led inquiry

## CELF PROFESSIONAL LEARNING MODEL

**Big Ideas of Sustainability:** A learning lens for an interdisciplinary approach to curriculum, campus and community.

**Place, Problem and Project-based Learning:** Engage students in real-world problem solving to create relevant and purposeful curriculum units while meeting academic standards.

**Three E's of Sustainability:** Connect learning to relevant environment, equity and economic issues.

**Hands-on Workshops | Environmental Literacy Resources  
Interdisciplinary Teamwork | Elective Sessions**

## TAKEAWAYS FOR SUMMER INSTITUTE PARTICIPANTS

- Develop and/or redesign curriculum plan or place-based lesson, connected to the Big Ideas of Sustainability
- Connect to a community of educators and local stakeholders engaged with environmental literacy
- Create Project Implementation planner geared to a school-wide initiative or project that engages students and the community
- Gain access to CELF Education for Sustainability Toolkit of Resources
